Hi, I'm going to Pelekas next Tuesday and I can't wait! Has anyone got any tips or advice for me? I'm looking for a relaxing holiday, but don't want to miss out on anything, so please let me know if there are any 'must sees' etc. Also, any recommendations for food / drinks and beaches would be appreciated. Does anyone know the Pelekas Beach Hotel?

@Keith, IH8sn0w tweeted something about jailbreak for 4.2.8 a few days ago and said there should be a jailbreak in a few days. iPad converter Mac We can already call on IPAD 3G with pipe and Skype, and text and send photos with text + without jailbreak required. It's great that these two apps for emergencies, but it's hard believe iPad carry in my pocket for everyday stuff.

Baez spent most of his four-hour argument attacking the prosecution's forensic evidence. Mac He said the prosecution's air analysis of the trunk of Anthony's car, which allegedly showed air molecules consistent with decomposition, could not be duplicated. Youtube Mac He said no one could prove a stain found in the trunk was caused by Caylee's body decomposing there. And witnesses showed maggots found in the trunk came from a bag of trash that was found there, he said. "HD" They throw enough against the wall and see what sticks. That is what they're doing right down to the cause of death," Baez said. He later conceded his client had told elaborate lies and invented imaginary friends and even a fake father for Caylee, but he said that doesn't mean she killed her daughter.DVD Mac He also attacked Anthony's father, George Anthony, as unreliable. He said that a suicide note that George Anthony wrote in January 2009 that claimed no knowledge of what happened to Caylee was self-serving and that the attempt was a fraud. He said George Anthony claimed he was going to kill himself with a six-pack of beer and some high-blood pressure medicine.AVI Mac
