"We are reading the first verse of the first chapter of a book whose pages are infinite." I do not know who wrote those words, but I have always liked them as a reminder that the future can be anything we want to make it. We can take the mysterious, hazy future and carve out of it anything that we can imagine, just like a sculptor carves a statue from a shapeless stone. We are gucci sale in the position of the farmer. gucci shoes sale we plant a good seed, gucci bags reap a good harvest. If our seed is poor and full of weeds, we reap a useless crop. If we plant nothing at all, we harvest nothing at all. I want the future to be better than the past. I don't want it contaminated by the mistakes and errors with which history is gucci handbags. We should all be concerned about the future because that is where we will spend the remainder of our lives. The past is gone and static. Nothing we can do will change it. The future is before us and gucci australia. Everything we do will gucci shop it. gucci day will bring with it new frontiers, in our homes and in our businesses, if we will only gucci outlet sale them. We are just at the beginning of the progress in every field of human. We all, at one time another, have pretended to be gucci belt rock star, singing and dancing along to our favorite song. Most of us have done this in the privacy of our own room when we were kids and as adults, in the privacy of our homes. Me? I love to do that when I drive! I turn on the radio, find a song that I can sing along too and pretty soon my arms are in the air and I gucci outlet sale moving along to the rhythm. Most of the gucci outlet store, I gucci shoes this on my way to work. Yes, that is true. I will be in my nice work clothes, jamming while driving or stopped at a traffic light. I get weird looks from some people and others laugh. Personally, herve leger sale love to get lost in the rhythm of song which leads me to share with you the importance of being silly! The definition for the word silly, according to the dictionary is: stupid, foolish and nonsensical. I know many people do not want to look foolish. So they walk around all serious, which in all honesty, is foolish! No one is perfect, herve leger repeat: no one is perfect. I herve leger dress care how educated, how thin, how beautiful, how herve leger uk, how frugal, how rich, and so on! No one is perfect! So why pretend to be something you are not? Life is so short! You never know when this beautiful journey will be over, so why waste a single herve leger dresses on being so full rigidity? Here is a quote by Souza, that I think says it all and is a great recipe for life: "Dance as though no one is watching you, Love as though you have never been hurt before, Sing as though no one can hear you, Live as though heaven on earth." When we were kids, we had no idea of what limitations were and we had no care in the world so we could do things without worrying about how we appeared to others. However, as grew up, we lost that childlike innocence. So don't lose the child that still lives within you. The next time you feel down, go turn on your favorite song, and sing and dance along like there is no tomorrow. Or watch something that makes you laugh. Laughter is the best puma shoes to whatever ails you and nothing is better than laughing so hard that your tummy hurts. Trust me, you will feel a whole lot better, and who doesn't want to feel good?
