Not trying to start something, just saying, I prefer the glass and hope that they do not change it. IMHO it looks better and doesn't scratch nearly as much as plastic, if at all. Everyone I know prefers the glass as it feels better (not as cheap) and looks damn fine, you just have to be careful. Just my opinion, though. Would it kill for you guys to invest in at least one or two lav mic's? Wow carrier is gone for me. How do we reboot? Just turn it off and on? It also discards older .ipa (app files) when you download app updates.
