I'm considering a trip to Greece (probably based in Athens) between Christmas and New Year (approx dates 27th Dec 09 - 2nd Jan 10). Most people probably think of Greece as a destination best visited in spring/summer. Any thoughts on whether this winter visit is a good idea? Tips on interesting things to do in and around Athens at this time of year would also be most welcome!

Thanks

Can you guys please go back and listen to the original iPhone keynote. Steve jobs called the iPhone 1 a magical device too, in 2007. I don't remember ANYONE giving apple hell over the iPhone being 'magical', yet everyone seems to love to focus on it from the iPad keynote. vob to dvd burner My wife made me swap my iPhone 4 with her 3GS. Earlier during prosecution's closing argument, Casey Anthony appeared mostly stone-faced for about the first 45 minutes, but she began to cry when Ashton said the story that Caylee drowned was also false. Video Convertidor Mac Ashton, the prosecutor, said Caylee's death wasn't an accident because three pieces of duct tape were placed on her face â€” one on the mouth, one on the nose and one over those to be "thorough."MP4 Convertidor Mac The case has played out on national TV since Caylee's disappearance in the summer of 2008 and continued through her mother's trial, with spectators traveling from all over the U.S. to jockey for coveted seats in the courtroom gallery. Ashton began his closing argument by showing a video of Anthony playing with Caylee, causing Anthony to apparently choke back tears. But she quickly regained her composure. MOV Convertidor Mac He then told the jury that Anthony worried Caylee was getting to the age where she would have told Anthony's parents that the woman was spending her days and nights with her boyfriend â€” not going to work and leaving Caylee with a nanny. MKV Convertidor Mac "Casey is very bright," Ashton said. "Her lies are very detailed. ... But when Casey wants to do what Casey wants to do, she finds a

Visiting Greece in winters is really amazing. The benefits of visiting Greece in the winter months are that while most of the other tourists are off vacationing elsewhere, those who call Greece their home embrace the off-season tourists with a first-hand look at what it means to be Greek.
