

Mac He said the prosecution's air analysis of the trunk of Anthony's car, which allegedly showed air molecules consistent with decomposition, could not be duplicated. Youtube Mac He said no one could prove a stain found in the trunk was caused by Caylee's body decomposing there. And witnesses showed maggots found in the trunk came from a bag of trash that was found there, he said. "They throw enough against the wall and see what sticks. That is what they're doing ... right down to the cause of death," Baez said. HD He later conceded his client had told elaborate lies and invented imaginary friends and even a fake father for Caylee, but he said that doesn't mean she killed her daughter. DVD Mac He also attacked Anthony's father, George Anthony, as unreliable. He said that a suicide note that George Anthony wrote in January 2009 that claimed no knowledge of what happened to Caylee was self-serving and that the attempt was a fraud. He said George Anthony claimed he was going to kill himself with a six-pack of beer and some high-blood pressure medicine. AVI Mac

Kavos is famous for its nightlife. Its night parties and clubbing are the major tourist attraction. It is really very enjoyable. You can join Club 18-30 for some huge nights taking you on a hardcore party tour of the many highlights Corfu has to offer.
