Earlier during prosecution's closing argument, Casey Anthony appeared mostly stone-faced for about the first 45 minutes, but she began to cry when Ashton said the story that Caylee drowned was also false. [MP4](#) [Mac](#) Ashton, the prosecutor, said Caylee's death wasn't an accident because three pieces of duct tape were placed on her face - one on the mouth, one on the nose and one over those to be "thorough." [MP4](#) [Mac](#) The case has played out on national TV since Caylee's disappearance in the summer of 2008 and continued through her mother's trial, with spectators traveling from all over the U.S. to jockey for coveted seats in the courtroom gallery. [HD](#) [MP4](#) [Mac](#) Anthony, a single mother, was 22 when her daughter died. No one has come forward as the father of Caylee. [WMV](#) [Mac](#) Ashton began his closing argument by showing a video of Anthony playing with Caylee, causing Anthony to apparently choke back tears. But she quickly regained her composure. [MOV](#) [Mac](#) He then told the jury that Anthony worried Caylee was getting to the age where she would have told Anthony's parents that the woman was spending her days and nights with her boyfriend - not going to work and leaving Caylee with a nanny. [MKV](#) [Mac](#) "Casey is very bright," Ashton said. "Her lies are very detailed. ... But when Casey wants to do what Casey wants to do, she finds a way."
