Not trying to start something, just saying, I prefer the glass and hope that they do not change it. IMHO it looks better and doesn't scratch nearly as much as plastic, if at all. Everyone I know prefers the glass as it feels better (not as cheap) and looks damn fine, you just have to be careful. Just my opinion, though. Would it kill for you guys to invest in at least one or two lav mic's? Wow carrier is gone for me. How do we reboot? Just turn it off and on? It also discards older .ipa (app files) when you download app updates.

Baez spent most of his four-hour argument attacking the prosecution's forensic evidence. Video Converter for Mac He said the prosecution's air analysis of the trunk of Anthony's car, which allegedly showed air molecules consistent with decomposition, could not be duplicated. Youtube Converter for Mac He said no one could prove a stain found in the trunk was caused by Caylee's body decomposing there. And witnesses showed maggots found in the trunk came from a bag of trash that was found there, he said." HD Video Converter They throw enough against the wall and see what sticks. That is what they're doing ... right down to the cause of death," Baez said. He later conceded his client had told elaborate lies and invented imaginary friends and even a fake father for Caylee, but he said that doesn't mean she killed her daughter.DVD Converter for Mac

He also attacked Anthony's father, George Anthony, as unreliable. He said that a suicide note that George Anthony wrote in January 2009 that claimed no knowledge of what happened to Caylee was self-serving and that the attempt was a fraud. He said George Anthony claimed he was going to kill himself with a six-pack of beer and some high-blood pressure medicine.AVI Converter for Mac
